Dear Sunil ji,

Greetings from UNICEF!

This is in reference to your request, we would like to acknowledge for your record that Vibhawari (NGO) has worked with UNICEF Madhya Pradesh Field Office as a programme implementation partner WASH in School programme in the year 2019-20.

The partnership between UNICEF and Vibhawari for the period of 15 May 2019 - 29 February 2020 focused on supporting 2 districts - Guna and Shivpuri in implementing focused intervention with objectives to ensure the equitable access to WASH facilities and services in over 2500 schools. The technical support from Vibhawari includes capacity development of various education department functionaries from district, block and schools level as well as child cabinets and SMC members, development of district and school level Swachhata Action Plans, handholding support to districts and schools in implementation of WASH improvements, monitoring and benchmarking including baseline and endline.

We appreciate the support of the Vibhawari in rolling-out intensive WinS programme.

Warm regards,

Nageshwar Patidar
